**29 October - 03 November 2012**  
Lemesos, Cyprus

External events

▶ **4th International Euro-Mediterranean Conference (EuroMed 2012)**

This year, EuroMed2012 focused on cultural heritage. The government of the Republic of Cyprus included the EU Cultural Heritage policy and the Europe 2020/Innovation Union Initiative as important thematic priorities in the work programme of the presidency of the Council of the European Union. EuroMed2012 agenda contributed to the programme of the Cypriot Presidency of the EU in the area of Cultural Heritage.

**19 October 2012**  
Vienna, Austria

COST Action events

▶ **Bullying and Cyberbullying: The Interface between Science and Practice**

COST Action IS0801 on Cyberbullying, the Austrian Federal Ministry for Education, Arts, and Cultural Affairs and the University of Vienna's Faculty of Psychology organised a joint conference on Cyberbullying.

**12 October 2012**  
University of Naples, Italy

COST Action events

▶ **Insecurity at Sea: Piracy and other Risks to Navigation**

The current escalation of pirate attacks has become a matter of concern for the international community as a whole. MARSAFENET - the acronym for NETWORK of experts on the legal aspects of MARitime SAFETY and security - brought together experts to discuss this hot issue.

**11 - 14 October 2012**  
Verona, Italy

External events

▶ **XI International Symposium on Platinum Coordination Compounds in Cancer Chemotherapy, Stem Cells, DNA repair mechanisms, DNA-damaging agents**

Compared to previous editions of the symposium, XI ISPPC broadened the traditional themes (i.e. the pre-clinical and clinical pharmacology and pharmacodynamics) of platinum and other heavy metal compounds to include emerging areas of interest namely 'stem cells, DNA-repair mechanisms, DNA-damaging agents'.

**11 - 12 October 2012**  
Palais des Académies, Brussels

External events

▶ **First Conference on Physics for Development**

**09 - 10 October 2012**  
European Parliament, Brussels

External events

▶ **4th European Innovation Summit**

COST was a partner of the fourth European Innovation Summit held at the European Parliament in Brussels under the motto 'Building bridges - Creating Synergies'.

**09 October 2012**  
Shell Technology

COST Action events

▶ **COST Industrial Workshop on Kinetic Models for**

## Fuel and Gas

With the aim of opening collaboration with the fuel and gas industry, COST Action CM0901 'Detailed chemical kinetic models for cleaner combustion' organised an industrial workshop - in collaboration with Shell - to present its focus on cleaner engines and gas turbines.

**12 - 14 September 2012**

Scuola Normale  
Superiore, Pisa, Italy

COST Action events

### ► **IMAMPC 2012 - International Meeting on Atomic and Molecular Physics and Chemistry**

The third edition of IMAMPC presented high-quality research by young scientists from a wide range of disciplines in Atomic and Molecular Physics and Chemistry.

**20 - 21 August 2012**

Ramada Hotel,  
Neustadt an der  
Weinstrasse, Germany

COST Action events

### ► **Workshop on Science Commercialisation**

The Workshop was a Trans Domain COST activity aiming at members and early stage researchers (ESRs) from three COST Actions (FA0806, FA0804, FA1006). The participants of the workshop had the opportunity to acquire information in the area of product commercialisation.

**11 - 15 July 2012**

The Convention Centre  
Dublin, Ireland

External events

### ► **ESOF 2012 - Dublin City of Science 2012**

COST proudly partnered with ESOF, an inter-disciplinary, pan-European meeting which every two years brings together 5000 scientists, business leaders, government officials and international media to discuss the best of European science and to address all of the major global challenges, including Energy, Climate Change, Food and Health.
