28 July 2015 | General

▶ **Info day in Skopje**

The Saints Cyril and Methodius University of Skopje (the former Yugoslav Republic of Macedonia) hosted a series of presentations on how to submit successful COST Action proposals, join running Actions or participate in COST Action activities.

28 July 2015 | General

▶ **COST at EuroNanoForum 2015**

Five of our COST Actions on new materials and nanotechnologies presented their work at a workshop on funding instruments.

28 July 2015 | General

▶ **Inclusiveness Target Country Roadshow: COST goes local**

How does COST help grow ideas through networks? Why should researchers, engineers and scholars start their own innovative S&T network? COST has been going local to encourage scientists, engineers and scholars to set up COST Actions and take part in running ones.

17 July 2015 | General

▶ **Dealing with anonymity in your COST Action proposal**

To ensure your proposal complies with the anonymity criterion featured in the Open Call selection procedure (link to SESA), we have prepared a short overview and matching examples in order to support you when writing your proposal.

16 June 2015 | General

▶ **COST Scientific Committee getting started**

Appointed by the CSO in May this year, members of the newly founded COST Scientific Committee held their kick-off meeting in Brussels today.

04 June 2015 | General

▶ **COST welcomes the provisional budget agreement in context of the European Fund for Strategic Investments (EFSI)**

COST is relieved that the provisional agreement reached on the European Fund for Strategic Investments will safeguard the "Spreading Excellence and Widening Participation" budget line. However, further effort is needed.

21 May 2015 | General

▶ **COST governing board alarmed about perspective of diminishing budget in context of the European Fund for Strategic Investments (EFSI)**

The Committee of Senior Officials (CSO) of the COST Association has expressed a strong concern about potential future budget
