### COST Foresight 2030: Advisory Group Meeting

Location	Brussels, Belgium
Date	04 December 2008
Calendar file	<a href="#">.vcs</a>   <a href="#">.ics</a>

COST Foresight 2030 is an initiative designed to explore a broadly-shared vision for a future world beyond 2030 permeated and shaped by the digital revolution.

It will encompass a series of events presenting long-term perspective in the following selected fields - **Computer and Communication Sciences and Technologies (CCST), Life Enhancement, Energy, Food Security, Natural Resources Management and Societal Organisation** - which

play fundamental roles in human life and which are envisaged to be highly influenced by CCST-enabling technologies.

The format of the different events and list of participants was determined by the High Level Advisory Group which was formed by 8 experts that between them are aware of the state-of-the-art in the fields.
