### World Social Science Forum

Location	Bergen, Norway
Date	10 - 12 May 2009
Calendar file	<a href="#">.vcs</a>   <a href="#">.ics</a>

The World Social Science Forum was organised by the International Social Science Council and co-organised by the University of Bergen and the Rokkan Centre. An interdisciplinary event, it brought together prominent scholars and central actors from the global research community.

It also strove to ensure participation from minorities and countries with a weak research infrastructure. This showed how different fields can provide complementary insights. COST organised a scientific session at this forum, bringing together Early Stage Researchers in this field.
