ERA

European Research Area - In 2000, the European Union (EU) decided to create the ERA. The objective is to inspire the best talents to enter research careers in Europe, incite industry to invest more in European research – contributing to the EU objective to devote 3% of GDP for research, and strongly contribute to the creation of sustainable growth and jobs.

Last updated: 03 November 2008 

COST is supported by the EU RTD Framework Programme

ESF provides the COST Office through a European Commission contract

The Council of the European Union provides the COST Secretariat
