

Brussels Hotels list 2017

Please find below a list of hotels close to the COST Association. We have negotiated corporate rates based on "the first come, first served". That means that if there is no more standard room available, the hotel will give you a bigger room for a more expensive price. Please note also that the prices may change during the congress periods (see the dates at the bottom of the page).

Could I kindly ask you to always make a reservation either by sending an email to the hotel or through the website with our client ID or login number? Please always mention "COST Association" when you reserve a room.

Please note that the special COST corporate rates are only available if booked directly with the hotel and not through external internet booking systems such as www.booking.com.

Please note that the COST Association does not book hotel accommodation for delegates. Delegates are required to make their own hotel bookings and only contact bookings@cost.eu in case of a problem.
