

## STRATEGIC WORKSHOP

---

# Benefits of Research Infrastructures beyond Science

The Example of the Square Kilometre Array (SKA)

Parallel Break-Out Groups:

Human Capacity Development

Astronomy inspires people

The biggest resource we have is people

The SKA will be the biggest instrument  
for knowledge production & dissemination  
ever built

# Maximum HCD impact

- Education
- Technological spin-offs
- Inspire society and change attitudes

# Uniqueness of the SKA

- Truly Global
  - in reach and in involvement
- Bring in the developing world onto the world stage of science
- Connecting people
- Innovate Human Capacity Development
