

BRUSSELS HOTEL LIST – 2026

Below is a list of hotels near the COST Association featuring negotiated corporate rates for individual reservations.

To secure these rates, kindly make reservations via email or telephone directly with the hotel, ensuring you mention the specified Client code with the rates. **Always include the reference "COST Association" and the discount code when reserving a room.**

It's important to note that the exclusive COST corporate rates are applicable only when booked directly with the hotel and not through external internet booking systems like www.booking.com. Please be mindful that the rates are subject to room availability, and the offer does not apply to the last available room.

The COST Association does not facilitate hotel accommodations for meeting and training participants. It is the responsibility of participants to arrange their hotel bookings. If there are any issues or concerns, participants should contact Office@cost.eu for assistance.

Please note that following the recent decision by the Belgian government to increase the VAT rate from 6% to 12%, effective March 2026, hotel prices may be adjusted accordingly.

Welcome to Brussels and the COST Association!

We appreciate your presence and look forward to seeing you soon.
