

BRUSSELS HOTELS LIST 2019

Please find below a list of hotels close to the COST Association. We have negotiated corporate rates based on a “first come, first served” basis. This means that if there are no more standard rooms available, the hotel will give you a bigger room at a more expensive rate.

Please always mention “COST Association” when you reserve a room.

The special COST corporate rates are only available if booked directly with the hotel and not through external internet booking systems such as www.booking.com.

The COST Association does not book hotel accommodation for delegates. Delegates are required to make their own hotel bookings and only contact COST-Reception@cost.eu in case of a problem.
