COST ACTIONS WITH PARTICIPANTS FROM MONTENEGRO

- > European Middle Class Mass Housing
- > People in Motion: Entangled Histories of Displacement across the Mediterranean (1492-1923)
- > European network for Web-centred linguistic data science
- > Oxygen sensing a novel mean for biology and technology of fruit quality
- > Network for Research in Vascular Ageing
- > Research network for including geothermal technologies into decarbonized heating and cooling grids
- > Green Chemical Engineering Network towards upscaling sustainable processes
- > Mathematical models for interacting dynamics on networks

LEADERSHIP POSITIONS IN COST ACTIONS

A CLOSE LOOK AT LEADERSHIP POSITIONS

It significantly contributed to broadening my professional network, with special impact on managing a big group of researchers and spreading the visibility of the Action's activities. Also, I attended several training events and short-term scientific missions - all significantly increased my knowledge and my networks.

Prof. Ivana OGNJANOVIĆ, Associate Professor, University Donja Gorica, Podgorica

Economics and business	5		
Educational sciences	1	Total	63

••• I could cooperate with the most relevant researchers in my research area, both from academia and industry. Bilateral cooperation projects started thanks to the COST Action.

Dr Enis Kocan, Associate Professor, Faculty of Electrical Engineering, University of Montenegro

COST General. Ne zaboravimo, Evropa je začeta u antičkoj Grčkoj (Let's not forget, Europe was conceived in ancient Greece)
