

ESTONIA

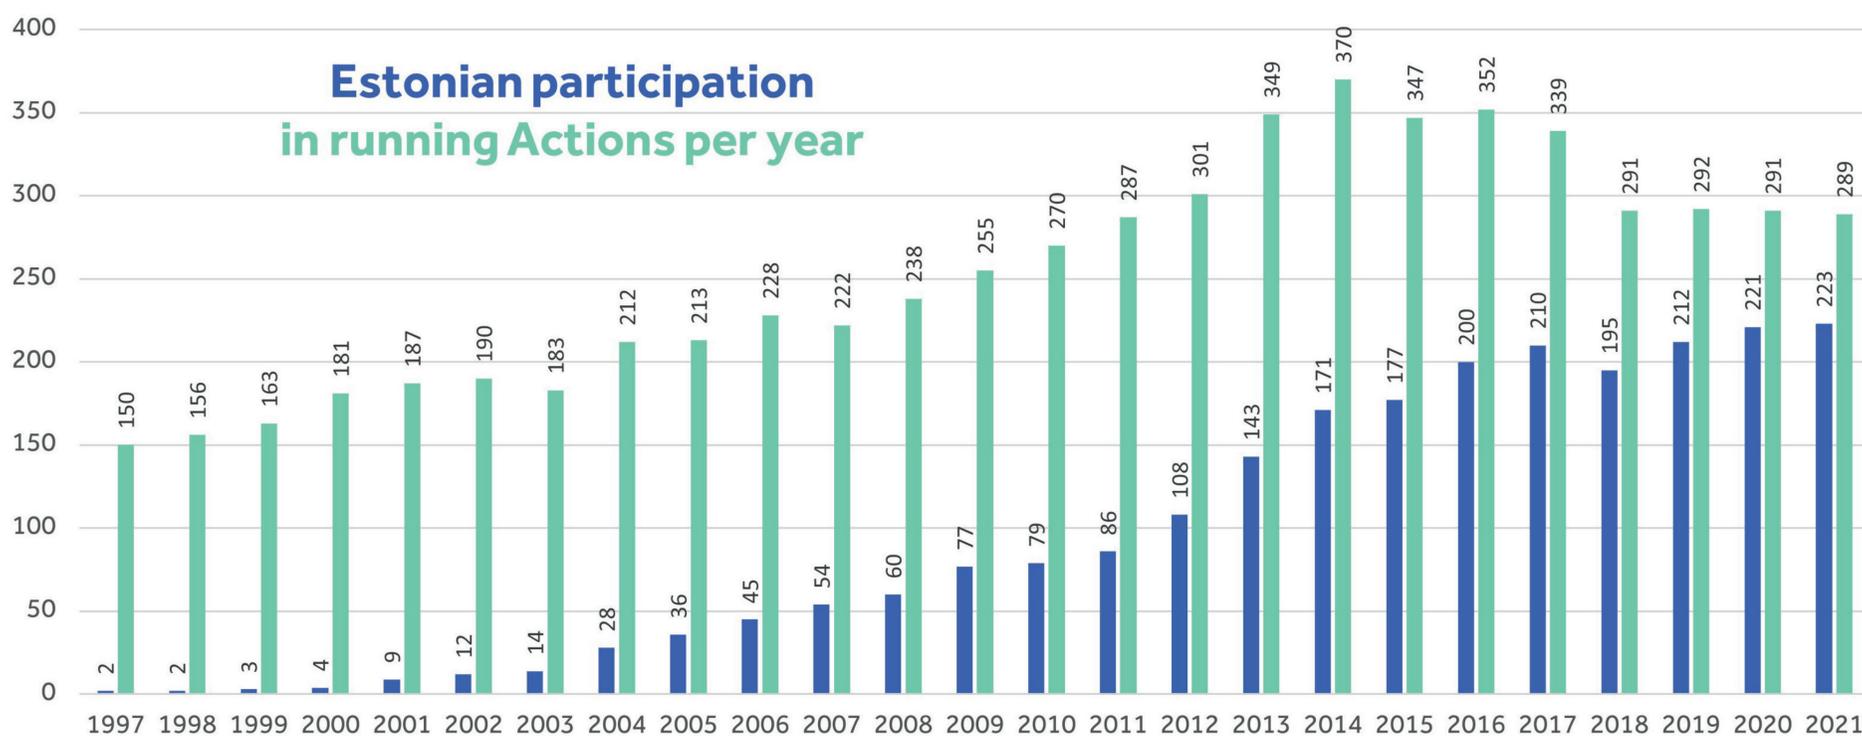

joined COST in 1997

Founded in 1971, **COST** is Europe's oldest intergovernmental cooperation programme in the field of science and technology.

On 27 May 1997, Estonia became the **29th member** to join COST.

Over the last **25 years** researchers and innovators from Estonia have benefited from the many networking opportunities offered by COST Actions.

593 COST Actions have benefited from Estonian participation since 1997.
