RUNNING ACTIONS LED BY CROATIA

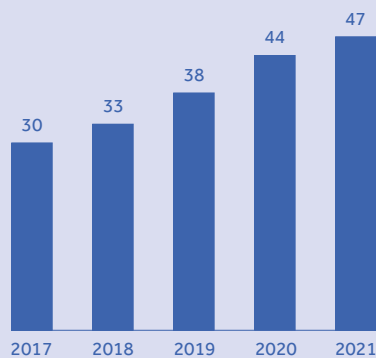

Examples of Chaired and Vice Chaired Actions

- Biomaterials and advanced physical techniques for regenerative cardiology and neurology
- Investigation and Mathematical Analysis of Avant-garde Disease Control via Mosquito Nano-Tech-Repellents
- European Network for Chemical Elemental Analysis by Total Reflection X-Ray Fluorescence
- Research Innovation and Sustainable Pan-European Network in Peripartum Depression Disorder
- Mathematical models for interacting dynamics on networks
- Integrating Neandertal Legacy: From Past to Present
- Harmonizing clinical care and research on adrenal tumours in European countries

NAŠI PRECI IZ LEDENOG DOBA

Usred Zagreba možete razgledati i pručavati život i izgled neandertalaca, otvoreno u travnju i svibnju

Projekt uključuje 30 zemalja i 60 stručnjaka, objedinjuje istraživanja diljem zapadne Europe, posebno Hrvatske, bogate, ostacima naših drevnih predaka

“

Being a Chair of a COST Action has been a very rewarding experience. Not only it has expanded the network of collaborators, but allowed us to successfully tackle broader issues which would not been addressed in other types of scientific projects that are mostly limited in scope. I fully expect that the Action will result in several new research projects, and will also have socioeconomic impact.

Ivor Janković, Institute for Anthropological Research, Zagreb
