RUNNING ACTIONS LED BY SWEDEN

Examples of Chaired and Vice Chaired Actions

- Archaeological practices and knowledge work in the digital environment
- European Network for cost containment and improved quality of health care
- European Cleft and Craniofacial Initiative for Equality in Care
- Trapped Ions: Progress in classical and quantum applications
- Molecular Dynamics in the GAS phase

- Aniridia: networking to address an unmet medical, scientific, and societal challenge
- Multi-Sectoral Responses to Child Abuse and Neglect in Europe: Incidence and Trends
- Network for Optimized Astatine labeled Radiopharmaceuticals
- Urban Tree Guard - Safeguarding European urban trees and forests through improved biosecurity

"

Our participation in a COST Action has led to
the creation of a successful consortium that applied
for EU research funding. The networking activities we
hosted helped improve our reputation as a centre of
excellence in our research field. Our Action has also
allowed us to avoid duplicating efforts in research.

Prof. Neil Lagali, Department of Ophthalmology,
Faculty of Medicine, Linköping University
