MALTA -[Action CA18201 - COST](#) - An integrated approach to conservation of threatened plants for the 21st Century (ConservePlants)

Dwindling habitats and plummeting partnerships

<https://timesofmalta.com/articles/view/dwindling-habitats-and-plummeting-partnerships.927715>

This is my first COST Action and I can't help noticing how much it has expanded and deepened my academic network. It would have taken the equivalent of many years of conferencing to get to the quantity of partners and quality of engagement that this COST Action has made possible in the space of a few months.

Prof. Godfrey Baldacchino, Department of Sociology, University of Malta
