RUNNING ACTIONS LED BY SWEDEN

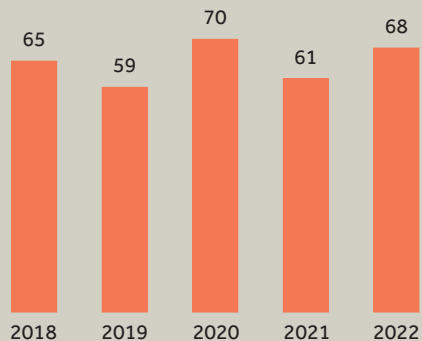

Examples of Chaired and Vice Chaired Actions

- European Cleft and Craniofacial Initiative for Equality in Care
- Trapped Ions: Progress in classical and quantum applications
- Establishment of a Pan-European Network on the Sustainable Valorisation of Lignin
- Genome editing in plants - a technology with transformative potential
- Aniridia: networking to address an unmet medical, scientific, and societal challenge
- Molecular Dynamics in the GAS phase

SWEDEN - [Action CA20133 - COST](#) - CROSS-BORDER TRANSFER AND DEVELOPMENT OF SUSTAINABLE RESOURCE RECOVERY STRATEGIES TOWARDS ZERO WASTE (FULLRECO4US)

International gathering of forces for knowledge transfer on resource recovery

<https://www.hb.se/om-hogskolan/aktuellt/nyhetsarkiv/2022/maj/internationell-kraftsamling-for-kunskapsoverforing-kring-resursatervinning/>

Participating in COST Actions has contributed hugely to my work by providing a space to develop my and others research in collaboration. COST Actions open up formidable opportunities to broaden my network across Europe and diverse scientific and scholarly disciplines and fields of practice. It also gives excellent opportunities to get to know and contribute to the training of the new stars of the European research and innovation landscape and for younger colleagues to get training and leadership experience.

Dr Isto Huvila, Information Studies Department of ALM, Uppsala University
