## RUNNING ACTIONS LED BY MALTA

*Examples of Actions with leadership positions*

▶ *the arrow icon is a clickable link to each Action*

- ▶ International interdisciplinary network on smart healthy age-friendly environments
- ▶ Pan-European network for sustainable hydropower
- ▶ Offshore freshened groundwater: an unconventional water resource in coastal regions?
- ▶ History of identity documentation in European nations: citizenship, nationality and migration
- ▶ Addressing observational tensions in cosmology with systematics and fundamental physics
- ▶ Enhancing small-medium islands resilience by securing the sustainability of ecosystem services
- ▶ A new ecosystem of early music studies
- ▶ Bringing experiment and simulation together in crystal structure prediction
- ▶ Maternal perinatal stress and adverse outcomes in the offspring: maximising infants' development
- ▶ Computational techniques for tabletop games heritage

---

## TESTIMONIAL

“ Working in the private sector, I am interested in researching aspects related to technology transfer and understanding the successful transition between research, innovation, and commercialization. COST is an essential pillar for researchers and innovators in Malta due to its small size and the opportunity to collaborate with other professionals abroad. ”

**Mr Steven Frigerio**  
The Hive Effect, St Julians, Birgu, Malta
