TESTIMONIALS

« For Georgia, participation in COST will be crucial to align with European research standards and to address pressing societal challenges through shared expertise. For my institution, it will strengthen our engagement in European research initiatives, promoting knowledge exchange and policy impact. I strongly encourage my colleagues to participate in COST Actions, as they offer unique opportunities for professional growth and societal contribution ».

« Participation in a COST Action has enriched migration studies in Georgia, strengthened partnerships at Grigol Robakidze University and created lifelong connections. I wholeheartedly encourage colleagues to get involved - COST drives innovation, bridges cultural divides, and benefits both individuals and institutions ».
