TESTIMONIAL

« COST has played and continues to play an important role in enhancing my professional skills and expanding my research network. Stepping out of my comfort zone to take on a new role within COST has been both challenging and rewarding, opening doors to impactful projects and collaborations in Ukraine and abroad ».

DR OLESIA KULYK

State Scientific Institution "Institute for Single Crystals" of the National Academy of Sciences of Ukraine

EXAMPLES OF ACTIONS WITH LEADERSHIP POSITIONS

* The arrow icon is a clickable link to each Action

- Work inequalities in later life redefined by digitalization
- European metal-organic framework network: combining research and development to promote technological solutions
- Multi3generation: multi-task, multilingual, multi-modal language generation
- Women on the move
- Towards an improvement in diagnostics and treatment strategies for TB control
