LEADERSHIP IN DETAIL

28 leaders

- Women: 25
- Men: 3
- Young researchers and innovators: 10

PARTICIPATION IN NETWORKING ACTIVITIES

- Short-term scientific missions: 38
- Trainees: 91
- Trainers: 11

NETWORKING ACTIVITIES IN ALBANIA

- Short-term scientific missions: 5
- Training schools: 8
- Meetings: 21

ALBANIA

"There are multiple and unique benefits to joining a COST Action, particularly for researchers from ITC countries like me. As part of the PROGRAMMING project, I had the opportunity to collaborate with an excellent network of researchers across Europe, publish fully funded open-access papers, and attend scientific events hosted by leading institutions."

ASSOC. PROF. KLEJDA HARASANI
University of Medicine, Tirana, Albania,
MC Member in PROGRAMMING Action

EXAMPLES OF ACTIONS WITH LEADERSHIP POSITIONS

* *The arrow icon is a clickable link to each Action*

→ Disruptive innovation and exponential HRM: crafting next-gen employee experience, workplace, job market

→ Rising nationalisms, shifting geopolitics and the future of European higher education/research openness

→ Platform work inclusion living lab

→ Democratization at stake? Comparing anti-gender politics in CEE and NME countries

→ Cultural property protection for all

→ Innate lymphoid cells – the European quest for innovative cancer prognosis and immunotherapy

SUCCESS STORY

REMO: BUILDING A HEALTHIER RESEARCH CULTURE ACROSS EUROPE
The COST Action REMO conducted a mental health overview in Albania.
