LEADERSHIP POSITIONS IN COST ACTIONS

LEADERSHIP IN DETAIL

193 leaders

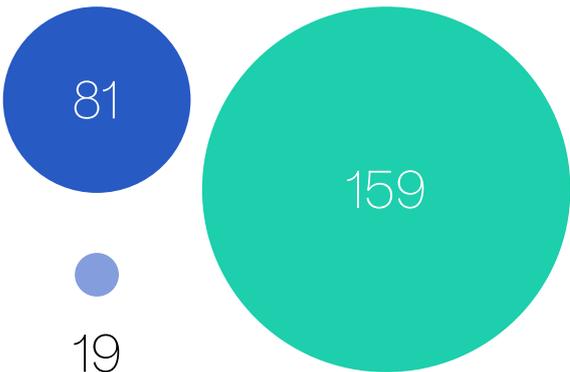

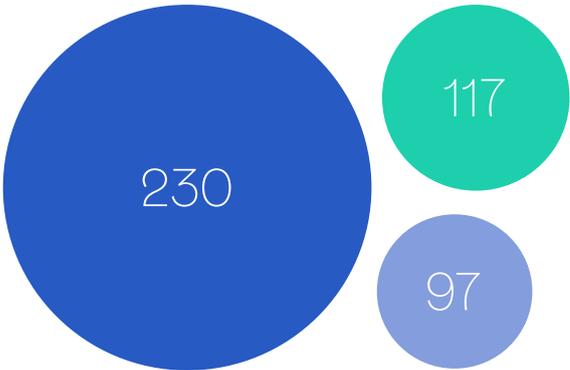

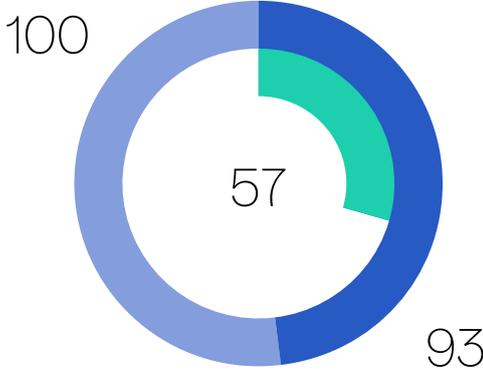

- Women
- Men
- Young researchers and innovators

PARTICIPATION IN NETWORKING ACTIVITIES

- Short-term scientific missions
- Trainees
- Trainers

NETWORKING ACTIVITIES IN GERMANY

- Short-term scientific missions
- Training schools
- Meetings

GERMANY

TESTIMONIAL

"I think a COST Action is a logic step for an emerging topic / subfield to grow into a new level of cooperation on a bigger and broader scale. It also allows a plurality of disciplines to be involved rather than focusing on one narrow area. We see it as a step towards bigger long-term growth but also a chance to see which topics prove popular and which participants connect well."

DR CRAIG WILLIS

European Centre for Minority Issues, Germany,
Chair of PLURILINGMEDIA Action

EXAMPLES OF ACTIONS WITH LEADERSHIP POSITIONS

* *The arrow icon is a clickable
link to each Action*

- Democratization at stake? Comparing anti-gender politics in CEE and NME countries
- Traces as research agenda for climate change, technology studies, and social justice
- European network for the mechanics of matter at the nano-scale
- Multiscale stochastics, patterns, and analysis of combinatorial environments
- Improving neuroimaging data for sharing
- Modelling cross-sectoral cascading climate impacts on Europe to design coherent policy responses
- Pan European commission on photoantimicrobial testing
- European media and born-digital art conservation and knowledge network

SUCCESS STORY

REMO: BUILDING A HEALTHIER RESEARCH CULTURE ACROSS EUROPE

The success story about the ReMO Action, led by Dr Gábor Kismihók, Head of the Learning and Skill Analytics Lab at TIB, Germany.
