TESTIMONIAL

"When working effectively across disciplines, there is always a fear that the professions will drift apart. That hasn't happened in this Action – everyone is working equally and respectfully. Interdisciplinarity has such potential when skills are maximised to achieve the best possible outcome."

PROF. JOAN LALOR

Trinity College Dublin, Ireland,
Chair of DEVOTION Action

EXAMPLES OF ACTIONS WITH LEADERSHIP POSITIONS

* *The arrow icon is a clickable
link to each Action*

- Implementation network Europe for cancer survivorship care
- Harnessing the potential of underutilized crops to promote sustainable food production
- Cancer-understanding prevention in intellectual disabilities
- Religious identity, bullying and wellbeing at school: a transnational collaboration
- Digital mental health for young people
- Literary multilingualism and social transformations in superdiverse societies
- Stochastic differential equations: computation, inference, applications
- Patient safety related outcome measures in European ICUs

SUCCESS STORY

DEVOTION TRANSFORMS BIRTH EXPERIENCES

Story about the Action DEVOTION, led by Professor Joan Lalor of Trinity College Dublin, aimed to improve understanding of birth trauma.
