TESTIMONIAL

"Thanks to the COST Action, I was able to expand my network, meet new researchers and establish contacts with companies. It also increased the international visibility of my institution and created new opportunities for young researchers in my team. To colleagues considering joining or proposing a COST Action, I would advise doing so as soon as possible!"

PROF. ROSARIO DOMINGUES

University of Aveiro, Portugal,
Chair of EpiLipidNET Action,
MC Member in 3 COST Actions

EXAMPLES OF ACTIONS WITH LEADERSHIP POSITIONS

* *The arrow icon is a clickable
link to each Action*

- Connecting critical pedagogies, inclusive art forms and alternative barometers for urban sustainability
- Climate change impacts on mental health in Europe
- Extreme plasma network for advanced discovery
- Many-body open quantum systems
- Enabling translation of retinal disease diagnosis and therapies: a roadmap for future
- Sustainable thermoelectrics European network
- Fostering nature-centred biodesign to explore regenerative futures
- ISO compatible, efficient and reproducible protocols/equipment for micro-nanoplastic detection through machine-learning
- Integrated DSS for delivery of ecosystem services based on eu forest policies

SUCCESS STORY

COST ACTIONS CULTIVATING HEALTHY SOILS & RESILIENT RURAL COMMUNITIES

Led by Dr Francisco Simões, the Action RNYN explored how social, economic and educational challenges particularly affect rural youth.
