TESTIMONIAL

"The COST journey has been a profound personal and professional growth experience, allowing me to connect with remarkable experts and kind professionals across Europe. Together, we have built not just a network, but genuine friendships—a precious achievement in the professional world."

DR ANA ROTTER

Marine Biology Station, National Institute of Biology, Piran, Slovenia,
Chair of Ocean4Biotech Action

EXAMPLES OF ACTIONS WITH LEADERSHIP POSITIONS

* *The arrow icon is a clickable link to each Action*

- Intergovernmental coordination from local to European governance
- Research network for interdisciplinary studies of transhistorical deliberative democracy
- Data matters: sociotechnical challenges of European migration and border control
- Language plurality in Europe's changing media sphere
- Mediterranean cancer screening and early diagnosis network
- Many-body open quantum systems

SUCCESS STORY

SHAPING THE FUTURE OF LAB ANIMAL MONITORING : A SUCCESS STORY ABOUT THE ACTION TEATIME

This story features Dr Maša Čater, who works at the Centre for Laboratory Animals at the Biotechnical Faculty of the University of Ljubljana. She is also the Working Group Leader in the TEATIME's animal research Action.
