TESTIMONIAL

"Industrial symbiosis is more than just a strategy; it's a pathway to a sustainable future. Through LIAISE Action, we brought experts, industries and policymakers together to break down barriers, share knowledge and transform waste into opportunities, thereby building a circular economy that benefits both the planet and society."

MS ALMUDENA MUÑOZ PUCHE

Asociacion empresarial de investigacion centro tecnologico del mueble y la madera de la region de Murcia, Spain, Chair of LIAISE Action

EXAMPLES OF ACTIONS WITH LEADERSHIP POSITIONS

* *The arrow icon is a clickable link to each Action*

- Developing knowledge involved in diagnosis and control of human-diseases related to pneumocystis
- Seasonal-to-decadal climate predictability in the mediterranean: process understanding and services
- Environmental impact of anthelmintics in livestock and alternatives to minimize their use
- Building education and one health with adaptive convergence and open networks
- One health zoonotic hepevirus network
- European network of SoHo establishments for rapid and sustainable access to ATMPS
- Epitranscriptomics and ncRNAs for climate-change-resilient and sustainable crops
- Connecting an international network of academic manufacturers of oncoimmunotherapies

SUCCESS STORY

HOW HYPERCHILDNET IS REVOLUTIONISING CHILDREN'S HEALTH IN EUROPE

The COST Action HyperChildNET chaired by Professor Empar Lurbe from the University of Valencia tackled high blood pressure in young people.
