

## BRUSSELS HOTELS LIST 2019-20

Please find below a list of hotels close to the COST Association. We have negotiated corporate rates based on a “first come, first served” basis. This means that if there are no more standard rooms available, the hotel will give you a bigger room at a more expensive rate.

Please always mention “COST Association” when you reserve a room.

The special COST corporate rates are only available if booked directly with the hotel and not through external internet booking systems such as [www.booking.com](http://www.booking.com).

The COST Association does not book hotel accommodation for delegates. Delegates are required to make their own hotel bookings and only contact [COST-Reception@cost.eu](mailto:COST-Reception@cost.eu) in case of a problem.
